Faithful Navigator: Sir Knight Marco Miller

Sir Knights and Ladies:

Last month the Sir Knights discussed making needed changes to our directive. This directive is the instructions to the assembly and family on the wishes of the Sir Knight at the time of his death.

The directive needs to be revised to reflect the current costs of the memorial plaque and the engraving of the Chalice.

There will be new language developed and submitted to all Sir Knights to be read and to vote on.

Instead of going into great detail at this time, I will wait until the language is developed to submit to the Sir Knights.

After having a discussion with the Master and Past Master, it has been determined that the language passed at the March meeting will have to be re-written and re-submitted.

Thank you for all that has stepped up to be Officers next year.

Marco Miller F.N.

Faithful Captain
